---

## WORK EXPERIENCE

---

### Gobierno del Estado de Nuevo León

2018 – 2023

*System Analyst*

*Monterrey, Nuevo León*

- As a system analyst, my core responsibility was management of existing systems and applications, as well as the development of new internal systems.
  - Adding or managing version control, requirements gathering directly with clients.
  - Internal system development using a variety of technologies or programming languages.
- Front-end designs development and implementation, occasionally from scratch.
- Server configure and management.

### Human Quality

2017 – 2018

*Web Developer*

*Monterrey, Nuevo León*

- Internal application development, mostly with PHP and Javascript.
- Front-end design.

## EDUCATION

---

### Facultad de Ciencias Físico-Matemáticas, UANL

*Bachelor's Degree, Computer Science*

*Monterrey, Nuevo León*

- Focused on development.
- As an extra, martial arts practitioner during my studies (tae-kwon-do, kung-fu, capoeira).
